*Cembre designs, manufactures and distributes electrical connectors and cable accessories. It enjoys a leadership position in Italy and significant market shares in the rest of Europe. Cembre is one of the world's leading manufacturers of tools (mechanical, pneumatic and hydraulic) for the installation of connectors and the shearing of cables. The products it has developed for connection to the rail and for other railway applications are used by the main companies in this sector round the world.*

*Cembre owes its success to an insistence on innovative, high-quality products, a broad and thorough collection, and an extensive distribution network both in Italy and abroad.*

*Founded in Brescia in 1969, the Cembre Group is now a fully-fledged international force. Along with the parent company in Brescia it has five subsidiaries: four trading companies (in Germany, France, Spain and the United States) and a manufacturing and trading subsidiary (Cembre Ltd, with registered office in Birmingham), for a total of 812 employees (data updated as at June 30, 2022). Since 1990, its products have been certified by Lloyd's Register Quality Assurance for the design and production of accessories for cables, electrical connectors and tools for their installation.*

*Cembre has been listed on the Italian Stock Exchange since December 15, 1997, and on the Euronext STAR section since September 24, 2001.*
